Water

Delivery

Drivers would have reviews

drivers must be over the age of 21

Sealed containers

range of 10 miles, delivery fee increases per mile extra from 2

The app has real-time tracking with drivers

Traffic and weather issues that can lead to order delays will be listed on the app

Bars have a limit to how far the homes must be in order to ship items

Bars can select their own hours for delivery

Times of operation

most bars close around 2am

App is available everyone (Apple, Android, Etc.)

The app would always be working and drivers can decide when they would like to work

Estimate on delivery time

In most cases alcohol can be served from 11am until 10pm-12am

App features

Special Requests

size of drink

favorite orders

multiple stops

Saved credit cards

split price between friends

deliver later option

store reviews

drink reviews

Tipping delivery drivers

bar hours in area

driver and customer profiles

ID verification

Benefits

People who want to drink will not be at risk or put others at risk by drunk driving

More business for bars

Number of missing people would decrease

More openings for jobs

For those with social anxiety, they will not have to go to the bar themselves in the crowded space

deaths would decrease

liquor stores could now deliver

Less people in crowded areas would decrease the chance of catching COVID

A safer option
